

**Pilots! This your chance to win the brand new Aerosoft
Airbus Bundle Pro for P3D V4.**

While the new Airbus is not ready for release yet, we feel they are getting close and we are going to do the give away a head of release so the winner can get the prize on release day.

Keep in mind that release may be weeks or months away

This tour/contest is open pilots who are in good standing at the beginning of the tour and remain in good standing through release. You must also have a valid Aerosoft Download store account.

To be eligible to win all you have to do is sign up and fly this one leg tour and land with a rate between -1 and -600fpm between now and 0001Z on

March 4th. Fly any aircraft you want just change the drop down in SmartCars to the aircraft you will be flying.

Be sure to log into the website hit the Tours button, select the tour by clicking "View Details" then click the "Signup For Tour" button.

Make sure you fly the correct flight!!! "AIBBUS4" You can use the new link on the tour details page to automatically add the flight to your schedules list by clicking "Add to Bid" on the right side of the screen. The flight will show up in SmartCars in your flights Page – Click the refresh button on the SmartCars Flights if already open. See below.
