

Welcome to Fly Virtual's Busiest Cargo Airports tour. Try your hand at flying freighters to some of the busiest cargo hubs around the world.

While we have suggested operators and aircraft for each leg, feel free to use any aircraft that can make the distance. You may also use any livery.

### **Sign Up & Flying**

Make sure to sign in and click on the tour button. Find the tour, click details and then sign up to register (Your name should appear in the participants list). Make sure you fly the correct flight numbers.

You can use the new links on the tour details page to automatically add the flights to your schedules list by clicking "Add to Bid" on the right side of the screen. Click for each leg you want added. The flights will show up in SmartCars in your Flights page automatically – Click the refresh button on the SmartCars Flights if already open.

This tour will be open until at least 1 July 2021.

***Special thanks to KLM15 Tom T for putting this tour together for our enjoyment!***
