

Worldwide Aviation Museums Tour

Fly Virtual.net

Welcome to the Worldwide Aviation Museums Tour where you can fly to the most popular aviation museums around the world.

The schedule below outlines the tour legs together with the name and URL for each aviation museum. A variety of short and long-haul charter flights have been scheduled to major airports closest to each museum.

Feel free to use any livery and aircraft that can make the distance.

Sign Up & Flying

Make sure to sign in and click on the tour button. Find the tour, click details and then sign up to register (Your name should appear in the participants list). Please ensure that you fly the correct flight numbers in sequence.

After you sign up you can use the new button on the right "Book All Legs" and all will be added to your SmartCars flight list. You can also use the links below to add flights one by one by clicking "Add to Bid" on the right side of the screen. The flights will show up in SmartCars in your Flights page automatically – Click the refresh button on the SmartCars Flights if already open.

This tour will be open until at least 31 Dec 2022.

Tour Information

Leg	DEP ICAO	ARR ICAO	Approx. Distance (NM)	Aviation Museum
0	We start our tour at the Royal Aviation Museum of Western Canada in Winnipeg which will re-open in early 2022, in a brand-new 'state of the art' facility. From here you will visit some of the most famous aviation museums in the world. Enjoy!

Very special thanks to Skipper Tom KLM15 and his First Mate and wife Joanne for bringing us this outstanding tour! Joanne came up with the idea and did the museum research while Tom, under Jo's close supervision, put this all together and dropped it 100% ready to fly – Schedules, graphics & Flyer perfect and ready to load.
